Get your LEC Fairgrounds wireless internet right now:

1. Connect to wireless network "**LEC_Guest**" on your cell, tablet or laptop.
2. Open an internet browser to see login screen.
3. Choose wireless internet service you like and pay online.

Wireless internet service includes on-site technical support during setup and show hours:

- Ask any LEC Fairgrounds Operations Manager (ask any LEC Fairgrounds Staff in uniform to radio Ops Manager)
- Call LEC Fairgrounds Office 402.441.6545, option '0'
- If can't reach anyone else, please contact the LEC Fairgrounds Manager on Call at 402-429-4536.

A nonprofit 501(c)(3) organization proudly managed by the Lancaster County Ag Society to be home of Nebraska's largest county fair and open year-round to serve our community.

Cell phone voice/internet service questions?

- Please contact your carrier. By Federal Law, the show and facility do not control this service.
- Verizon has installed a new cell tower on grounds that went into service Spring 2021.
- If you have issues with your service on grounds from other carriers, be sure to let them know to invest in more service here!
